

Saint Stephen's College

Free Shuttle Buses Continue during Week Two

New Times: Mornings 7.45am – 8.15am and afternoons 3.15pm – 3.45pm

To minimise the congestion the following areas will be available to access the College:

Please avoid using Coles to minimise congestion for potential Coles customers. To assist the College's **Two free shuttle buses** will continue to operate from **7.45am until 8.15am** and **3.15pm until 3.45pm**. Operated by College staff, the College Car and Mini bus will continually shuttle between the College and a) **Coomera Rail Station (Mini Bus)** and also b) **Caltex on Reserve Road (Silver College car)**. Any uncollected students will be returned to the College for your collection from the East carpark. A member of staff will attend the drop off points each morning and afternoon.

Coomera Rail Station Shuttle– The College Hiace will use the station drop off zone to collect or deliver students to the corner of Weir Drive and Reserve Road. In the afternoons students will gather, under the supervision of staff, with students at the bus stop on the corner of Weir Drive and Reserve Road.

Coomera Rail Station collection point

Caltex Reserve Road Shuttle - The silver College Toyota replaces the "Andy's rental" Hiace. This shuttle will run between the corner of Reserve Road and Weir Drive to in front the Caltex Service Station shop. There is plenty of parking in the adjacent streets, or in the spare bays at the back of the service station for waiting parents. Some cover is available for students during rain.

Thank you for your cooperation while the Western carpark is unavailable.
