

Saint Stephen's College

SPORTS UNIFORM WEARING POLICY – YEARS 4-12

Monday -Wednesday

Students are required to travel to and from the College in their Day Uniform. The only exception is at the conclusion of after-school sports training at 5.00pm where students are able to travel home in their full sports uniform.

In relation to Physical Education classes, students are expected to be changed in the break prior to their lesson and change back again afterwards, except if they have after-school sports training the same day. Students are not permitted to wear their sports uniform to or from school for the purposes of convenience for P.E classes.

Thursday -Friday

Students are able to travel to and from the College in their full sports uniform on their nominated sports day only when sport activity is scheduled (i.e.: Thursday Years 4-7 and Friday Years 8-12). Students are then able to change into their *team* uniform (i.e.: rugby top, hockey socks and so on) at the first break (10.00am which is a 35 minute break).

Upon completing their sport at the end of the day, students need to change back into their full sports uniform. Most students' *team* uniform is the same as their *sports* uniform and therefore do not need to change, however some teams have specialised uniforms and do need to change.

Clarification can be sought from Mr Rod Seib (Director of Sport) if needed.

SSC Sports Uniform:

SSC logo rust shirt, SSC logo navy shorts, SSC white socks, predominantly white sandshoes, SSC logo sports hat. (NB: girls may choose to wear the SSC logo navy skirt instead of shorts).

House Sports Uniform:

As above except the rust shirt is replaced with the House colour shirt.

Physical Education Uniform:

Either SSC Sports Uniform or House Sports Uniform only as above.

Team Uniform:

Specific apparel worn by that particular sport to compliment or alter the SSC Sports Uniform. For example: rugby uniform or netball uniform.

Sports Specific Uniform Policy:

Saint Stephen's College
