Saint Stephen's College International Education

International Education at Saint Stephen's College aims to provide experiences for all students that allow them to develop a global perspective, understand and appreciate cultural differences.

Opportunities to study abroad for domestic students include study tours, student exchange and gap year experiences.

Our College community welcomes students from overseas on short, medium and long term study durations.

Your Programme

Saint Stephen's wants to offer you a first quality educational and cultural experience.

The programme will give you the opportunity to learn English, spend time in an Australian classroom, meet Australian students, and gain first-hand experience of Australian Culture.
