

## Car Park Policy

The Car Park is College property.

- People choosing to use the car parks do so on the condition that they comply with all signs and instructions from staff, all of which are designed to improve safety and traffic flow;
- Unless the Headmaster instructs otherwise, students are not permitted to park in College car parks. (Students are not to park in Jefferson Court or Coles during school hours);
- They may, subject to weather conditions and GCCC restrictions, park on the vacant land opposite the Western Gate. Of course, they are also within their rights to park in other places provided they do so legally;
- Drivers park their vehicle on or adjacent to College grounds at their own risk.

Developing character, inspiring hope
