

Car Park Policy

- The car park is College property;
- People choosing to use the car parks do so on the condition that they comply with all signs and instructions from staff, all of which are designed to improve safety and traffic flow;
- Unless the Headmaster instructs otherwise, students are not permitted to park in College car parks.
- Students are not to park in Jefferson Court or Coles during school hours. They are within their rights to park in other places provided they do so legally;
- Drivers operate or park their vehicle on or adjacent to College grounds at their own risk.

Student Drivers' Policy

All Students who drive and park while at school are required to register their details with the College each year.

Registering as a Student Driver allows students the following privileges:

- Subject to the Student Early Departure Procedure (students must present a signed letter by their guardian requesting an early departure) only registered drivers may sign-out and leave the College early without an adult present;
- Where the College determines there is enough space in Weir Drive car park, students meeting College expectations of punctuality, uniform, behavior and avoiding absences during academic or sport time, may apply each term to Bob Nicol for an exemption. Student applications will not be successful with more than one invalid late arrival per term, more than one uniform or technology exemption per term or if missing lessons or sport the appointment necessity is not validated with appropriate documentation eg medical certificate. Non-school commitments are not valid reasons.

Conditions

- The College reserves the right to impose sanctions after a valid complaint about the operation of vehicles that may threaten safety of others or the reputation of the College.
- Students are not to access or operate their vehicles during school hours or drive to sport.
- Students are not permitted to park at Coles or in Jefferson Court during school hours.
- Students parking on College grounds without permission or in the above out of bounds areas will receive a detention and immediately lose all privileges of a Registered Student Driver.

Should parents/students have any questions or requests regarding student drivers or the Car Park Policy, please contact Bob Nicol at the College on (07)5573 8600 or via bnicol@ssc.qld.edu.au.

To register with the College, complete this form and return it to the Student Welfare Centre Reception (downstairs) for processing. Students should collect and retain the approved form from reception.

We have read, understood and agree to comply with the College Car Park and Student Drivers' Policy.
