

29 March 2021

Dear Parents and Guardians,

Thank you for your patience today whilst we have been awaiting direction from the Queensland Government regarding the Greater Brisbane lockdown.

The content of my earlier email remains unchanged; however, we now have the below points to add:

- Students who have visited Greater Brisbane on or since Saturday 20 March must remain at home for the rest of this term. This includes all Year 11 Geography students who recently attended the camp to Tangalooma. Parents are asked to inform the College absentee line as soon as possible if this affects your children.
 - Students in Years 7 to 12 will join their classes via TEAMS where possible and appropriate whilst continuing to work through D2L.
 - Students from Prep to Year 6 will receive information from their classroom teachers.
- In the case where a parent or a member of the household has been in Greater Brisbane on or since March 20 but the children have not, the children can continue to come to school as normal.
- Childcare and OSHC continue operating as normal with the Greater Brisbane rule above applied to students in these programs.
- As always, students who are sick should remain at home and be tested.
- Masks are not compulsory for students whilst they are attending school, however they will need to carry a mask for the time that they are not on campus, for example when travelling on public transport, attending shopping centres, etc. Mask rules have been outlined for all of Queensland. See this link for further information <https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/current-status/urgent-covid-19-update#qld-restrictions>
- We are restricting adult visitors to the College grounds for the remainder of this term. However, if you have an appointment or a significant need to attend our campus, we ask that you wear a mask.
- Regrettably Grandparents and Special Friends Day must be moved to Friday 23 April. Further information will be communicated regarding this very special day.
- Cross Country has been postponed to Wednesday 21 April.

Thank you for your patience and understanding as we try and navigate ourselves through this ever-changing situation. I will continue to update you as further information becomes available. I wish everyone a safe and blessed Easter.

Developing character, inspiring hope

Even when events, gatherings and celebrations are cancelled, not everything is cancelled...

Sun is not cancelled

Spring is not cancelled

Relationships are not cancelled

Love is not cancelled

Reading is not cancelled

Devotion is not cancelled

Music is not cancelled

Imagination is not cancelled

Kindness is not cancelled

Conversations are not cancelled

Hope is not cancelled

And God's love for HIS people is never cancelled.

Your sincerely
