

College Bus Booking System

Dear Parents/Guardians

Roll Call is our new system of making bookings for College buses, trip payments and tracking travel in real time by parents. To determine the route for the extra bus next year, families are asked to complete the survey for planned travel on College buses in Term 1 2023: <https://forms.office.com/r/DJJmZ6H3c9>. Allocation of bus stops will be in response to demand from families. Our goal is to create bus routes where students are on the bus for less than 50 minutes. Contact Accounts or Enrolments for a welcome email from Roll Call to set up an account. The routes and bus stops are updated automatically on the College website: <https://www.saintstephenscollege.net.au/our-college/additional-services/transport-bus/>
