Unit Worksheet - Book 4

Please turn on the TV and spend special time listening to your class!

Remember you add notes a little bit:

- the characters
- the descriptions or phrases to add
- how the story is told

Topic: The Gift

- What is the gift?
- What was the gift from?
- How was the gift given?
- How did the gift make the story better?
- What happened when the gift was given?

What is that? said Lily "can't you see it's a present?"

Obviously, said Mike **sarcastically** but as small as it was you can't really see it **badly** the two children ran inside. Mike wanted to hold it so **badly** that he **snatched** it out of Lily's hand making her trip. **she screamed** waking up Ozer who was sleeping he is five. **Mike** Lily and Mike or twins there both ten years old. **Mike** was born two minutes before he always brags about it. Ozer saw the gift and ran for it then he **said down** the start. **misted** a step making the gift go flying **luckily** Lily **count** it and opened it. **oh yah** I got it, said Lily in **excitement**. But it wasn't so lucky **suddenly** a huge amount of zombies came out of the box Mike got angry at Lily why did you do that said Mike **loudly** but Lily was trying to catch them. Ozer **stumbled** over to the bow he keeps them in a box he tried to pull it off but it made the gift **stretch out** trapping the zombies. **what happened?** said Mike not shore but the zombies are now finally gone.

Warranty and Insurance

Saint Stephen's College

- Warranty - extend to three years
- **Accidental Damage Protection (ADP) Insurance**
- Dropped computers are not covered by warranty
- Ask lots of questions

- What is covered? Excess? Repair process?

All devices purchased in the College portal have 3 years warranty, ADP is Optional we recommend this! In previous years this has been included in the bundle.

Some have a small excess of \$100 for ADP claims, some don't, you need to check each device.

Saint Stephen's College

- Do not assign an email address with your child's account
- Skip during the setup process
- **Students will have their computers set up in the first week**
- Don't purchase or install Office 365
- Primary – in class
- Secondary – new student orientation day
