Welcome to Saint Stephen's College International Student Guide!

I am sure you will find this guide helpful throughout your transition into Saint Stephen's College.

As the person responsible for the pastoral care of international students; I wish to personally open my door to you and your family, adult carers and friends at any time.

Saint Stephen's College recognises we are all members of a greater global community, and as such, aims to develop that global awareness in all its students and staff. Our policy is to foster the knowledge, skills and values that equip young people to involve themselves in human society, and the different environments in which people live.

We invite students from various countries, cultures, religions and nationalities to be part of our student population. We encourage international students to join our College from Preparatory (Preschool) to Year 12 (graduation).

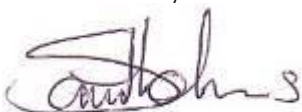

The diversity in our College encourages all students to actively participate as a 'world citizen'. Our learning environment relies heavily on co-operative learning and action, sharing responsibilities, critical thinking and communication.

We aim to create and manage a supportive College community through exceptional pastoral care. Individual needs are carefully considered, whilst progress and development are continually monitored. It is our desire to provide all children with the foundations for achievement in all areas including social, emotional and behavioural wellbeing in the College environment, as well as for the world of tomorrow.

Moving to another country and starting a new school is often filled with trials and tribulations, especially in the beginning as we attempt to quickly learn 'the way'. There are no greater learning experiences than 'just being there and doing it'. In all areas, I aim to help you learn the Saint Stephen's way and make your education both enjoyable and beneficial.

I look forward to working with you and your families as we embark on our shared journey as members of the Saint Stephen's College family.

Yours sincerely

Sam Holmes

Executive Director of International Education

SAINT STEPHEN'S COLLEGE

Saint Stephen's College is an independent, co-educational, Christian day school on the Gold Coast, Queensland, catering for students from Preparatory (Preschool) through to Year 12 (Graduation).

We aim to develop a global perspective and build a community who share international links and partnerships by forming relationships that enhance our understanding of cultural diversity. We welcome students of many cultural and religious backgrounds and from various countries.

Saint Stephen's College exists to provide quality educational experiences to students in a Christian setting. We believe the growth of young people is best achieved from a holistic viewpoint with social, emotional, physical, intellectual, cultural and spiritual growth underpinning this approach.

We believe every young person has a right to achieve at his/her highest level in all he/she endeavours, and that these attempts should be highly valued and encouraged. Programs focus on the uniqueness and potential of each child.

We believe each child is a unique individual with his/her own unique potential. We work hard with teachers and parents/adult carers (whether that be in Australia or overseas) to develop each child's talents and attributes by supporting them to achieve their dreams. We encourage each child to develop their natural talents and to acquire new skills during their time at the College.

In support of its approach to learning, Saint Stephen's College believes that young people learn best in an environment in which they feel valued and happy. Happiness and self-worth are the cornerstones of all growth and learning, regardless of age.

An application for enrolment can be processed when all required documents are in the hands of the International Administration Department.

International students who have English as a second language may be required to complete an English Proficiency Assessment to determine the appropriate level of EOL support.

Students are placed one academic year below their age appropriate year level unless they have spent two years in a school where all subjects are taught in English or ascertained by further testing undertaken by Saint Stephen's College.

Onshore applications for Years 11-12, where the student is transferring from another CRICOS registered provider, will only be considered where the transfer, if accepted, allows the student to achieve a successful study outcome at the end of the enrolment.

Offshore applications for enrolment in Years 11-12 will not be considered after the Year 11 course has commenced/ unless the student can complete course assessment before the end of the first semester of Year 11.

Saint Stephen's College requires evidence that the applicant's academic ability and English proficiency is sufficient to successfully meet the entry and curriculum demands of the intended course. Students undertaking a package of courses will have their academic and English language capabilities re-assessed prior to the commencement of each course in their enrolment package. This is a requirement under the 2018 National Code of Practice, Part B Standard 2.

If supplied, Saint Stephen's College will assess evidence of English language proficiency presented by a school at the time of application, but reserves the right to confirm the student's English language proficiency through additional tests.

Alternatively, Saint Stephen's College may (at its discretion, and if appropriate) choose to offer:

- New mainstream enrolments – entry into mainstream course at a lower year level.
- Continuing mainstream enrolments – opportunity to repeat a year level as part of an academic intervention plan implemented by the school. Refer to the Student progress, attendance and course duration policy.

As part of the registration obligations Saint Stephen's College must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age- and culturally-appropriate information on:

Accommodation and care options for overseas students under 18 years

The student's family completes Form 157N and provides proof of relationship to Department of Immigration at the time of visa application for approval of these arrangements. The Department of Immigration must also approve any further change of welfare arrangements.
- 1.2 If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a [Student guardian Visa \(subclass 590\)](#), all obligations and conditions of this visa must be met, including:
 - 1.2.1 not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the School has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - 1.2.2 advising the Department of Immigration of any change of address, passport or other changes of circumstances.

If there is not a valid reason for travelling overseas, or if the School is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the School will advise if compulsory attendance requirements will or will not be affected by the student's absence.

2. The student will live in school approved accommodation and welfare arrangements and Saint Stephen's College will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

- f) Saint Stephen's College has notified the Department of Immigration that it is no longer able to approve the student's welfare arrangements and has taken the required action after not being able to contact the student.

Any accommodation, welfare and other support arrangements for the student must be approved by Saint Stephen's College including arrangements provided by third parties.

Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults involved in or providing accommodation and welfare arrangements to the student have a blue card as appropriate [Blue Card Services](#) website.

Any changes to approved arrangements must also be approved by the School.

If a student cannot be located and the School has concerns for his/her welfare, the School will contact the student's parents / legal guardian and notify the police and any other relevant authorities.

If a student for whom the School has issued a CAAW refuses to maintain approved arrangements, the School will report this to the Department of Immigration and advise the student to contact the Department of Immigration to ensure visa implications are understood. (See Department of Immigration office addresses at: <https://immi.homeaffairs.gov.au/help-support/contact-us/offices-and-locations/list>).

Where the student has failed to meet the minimum attendance requirement, and Item 1.8 does not apply, the school will promptly advise the student of its intention to report the student for breach of visa condition 8202, and that he/she has 20 working days in which to access Saint Stephen's College's internal complaints and appeals process.

- 1.9.1** the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances e.g., medical illness supported by a medical certificate, represent the College in sport. (ref to SSC Deferment, Suspension and Cancellation Policy)
- 1.9.2** the student's attendance has not fallen below 70% attendance.
- 1.10** The method for calculating 70% attendance is the same as that outlined in 1.5.1. with the following change; number of study days x number of days per week x 30%.
- 1.11** If the student's attendance falls below the 70% threshold for the study period, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur as outlined in 1.7-1.8.
- 1.12** If the student does not obtain a suspension of studies under Saint Stephen's College's Deferment, Suspension and Cancellation Policy, and falls below the 70% threshold for attendance, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur as outlined in 1.8 – 1.9.

Definitions

- a) Compassionate or compelling circumstances - circumstances beyond the control of the student that are having an impact on the student's progress through a course. These could include:
- i. serious illness, where a medical certificate states that the student was unable to attend classes
 - ii. bereavement of close family members such as parents or grandparents (with evidence of death a certificate if possible)
 - iii. major political upheaval or natural disaster in the home country requiring their emergency travel that has impacted on their studies
 - iv. a traumatic experience which has impacted on the student (these cases should be where possible supported by police or psychologists' reports)
 - v. where the school was unable to offer a pre-requisite unit
 - vi. inability to begin studying on the course commencement date due to delay in receiving a student visa.

For other circumstances to be considered as compassionate or compelling, evidence would need to be provided to show that these were having an impact on the student's progress through a course.

- b) Expected duration – the length of time it takes to complete the course studying full-time. This is the same as the registered course duration on CRICOS.
- c) School day – any day for which the school has scheduled course contact hours.
- d) One Semester (two terms) at Saint Stephen's College defines a "study period" for the purposes of monitoring course attendance and progress as a semester.

2. Academic Requirement

Overseas students are required to meet and maintain satisfactory course progress and attendance requirements under visa condition 8202 and under Standard 8 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

Course Progress

- 2.1** The school will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- 2.2** The course progress of all students will be assessed at the end of each study period of enrolment according to Saint Stephen's College's course assessment requirements. A progress report is issued at the end of term one. Parent/host/teacher/student interviews are held three times per year and immediate on request.
- 2.3** Students who have begun part way through a study period will be assessed according to Saint Stephen's College's course assessment requirement after completing one full study period of attendance.

- 2.3 Students will need to demonstrate satisfactory course progress in any study period as outlined below;

Primary Years P to 6 will need to demonstrate a commitment to their studies each study period that allow them to remain on track for progression to the next year level. Students will need to achieve a minimum pass grade (C-) in the core subjects (Maths, English and Science). Students will also need to show a willingness to participate in academic and co-curricular activities. If the student's effort is at least "satisfactory", despite not passing all subject/areas studied, the College may consider the student to have achieved "satisfactory" course progress.

Junior Secondary Studies Years 7 to 10 will need to demonstrate satisfactory course progress, students will need to achieve a minimum pass grade (C-) in 65% or more subjects studied in each study period (semester). Example: if a student is studying six subjects, they must receive satisfactory course progress in at least 4 subjects.

Senior School Studies Years 11 to 12 will need to remain eligible for a Queensland Certificate of Education (QCE). Eligibility for a QCE is contingent upon the student achieving the set amount of learning, to the set standard, in the set pattern, while meeting literacy and numeracy requirements. Students enrolled for all four Units of a Senior Secondary Course will be identified and notified as being 'at risk' of not achieving satisfactory course progress anytime the student does not demonstrate a 'pass' or 'satisfactory' grade for a subject they rely on to meet either literacy or numeracy requirements, or are counting on to meet the required credit points to be awarded a QCE.

Senior School Studies on a modified program (example study abroad) not eligible for a QCE will need to demonstrate a commitment to their studies and show a willingness to participate in academic and co-curricular activities.

- 2.5 If at the end of a study period a student does not achieve satisfactory course progress as described above, the Executive Director of International Education will formally contact the parent(s) to advise that the student is at risk of breaching the course progress requirement and that there will be a meeting with the student to develop an intervention strategy for academic improvement. This may include;

- a) After hours tutorial support
- b) Subject tutorial support in class time
- c) Mentoring
- d) Additional EOL support
- e) Change of subject selection, or reducing course load (without affecting course duration)
- f) Repeating a year level
- g) Counselling – time management
- h) Counselling -academic skills
- i) Counselling - personal
- j) other intervention strategies as deemed necessary

- 2.6 A copy of the student's individual strategy for academic improvement and any relevant progress reports will be forwarded to parents, host parents and agent (if applicable). Parents will be advised if the proposed strategy has any implications for fees payable, the student's progression through a package of courses, or the student's visa. Where a proposed intervention plan has significant implications for the student's course of study (as originally agreed), a new written agreement will need to be established. A new CoE may also be required.

- 2.7 The student's individual strategy for academic improvement will be monitored over the following study period by Executive Director of International Education and records of student response to the strategy will be kept. Parents will be kept informed of the student's academic progress while the student is receiving formal intervention.
- 2.8 If the student does not improve sufficiently academically and achieve satisfactory course progress by the end of the next study period, Saint Stephen's College will advise the student/parent/host parent and agent (if applicable) in writing of its intention to report the student for breach of visa condition 8202, and that he/she has 20 working days in which to access Saint Stephen's College's internal complaints and appeals process. Within 7 days the notification of intention to report will be issued to the student prior to the commencement of the next semester. Following the outcome of the internal process, if the student wishes to complain or lodge an external appeal about a decision made or action taken by Saint Stephen's College, he/she may contact the Overseas Student Ombudsman at no cost. Please see Saint Stephen's College Complaints and Appeals Policy for further details.
- 2.9 The school will notify the ESOS agency via PRISMS of the student not achieving satisfactory course progress as soon as practicable where:
- a) the student does not access the complaints and appeals process within 20 days, or the student withdraws from the complaints and appeals process by notifying the *Principal of Saint Stephen's College* in writing, or
 - b) the complaints and appeals process, including any external appeal made by the student, results in a decision in favour of the school.

4 Completion within expected duration of study

- 4.1 As noted in 2.1., Saint Stephen's College will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- 4.2 Part of the assessment of course progress at the end of each study period will include an assessment of whether the student's progress is such that they are expected to complete their studies within the expected duration of the course.
- 4.3 Saint Stephen's College will only extend the duration of the student's study where the student will not be able to complete their course by the expected date because:
- 4.3.1 the student can provide evidence of compassionate or compelling circumstances (please refer to page 4 for the definition)
 - 4.3.2 the student has, or is, participating in an intervention strategy as outlined in 2.3.
 - 4.3.3 an approved deferment or suspension of study has been granted in accordance with Saint Stephen's College's Deferment, Suspension and Cancellation Policy.
- 4.4.4 Where Saint Stephen's College decides to extend the duration of the student's study, Saint Stephen's College will report via PRISMS (change needs to be lodged within 14 days) and/or issue a new COE if required. In this case, the student will need to contact the Department of Immigration to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

REFUND POLICY

1. This policy outlines refunds applicable to course fees paid to the school including any course fees paid to an education agent to be remitted to the school.
2. Any service fees a student (or parent(s)/legal guardian if the student is under 18) pays directly to a third party are not within the scope of this refund policy.
3. The enrolment application fee is non-refundable.
4. Payment of Course Fees and Refunds
 - a) Fees are payable according to the School's Fees Policy
 - b) An itemised list of school fees is provided in the school's written agreement [as per NC Standard 3.3.4]
 - c) All fees must be paid in Australian dollars unless requested otherwise. Refunds will be reimbursed in the same currency as fees were received.
 - d) Refunds will be paid to the person who enters into the written agreement unless the school receives written advice from the person who enters the written agreement to pay the refund to someone else.
5. All notification of withdrawal from a course, or applications for refunds, must be made in writing and submitted to the Executive Director of International Education, by the person who signed the agreement with Saint Stephen's College.
6. Fees for instrumental tuition and extra-curricular activities are charged on a term basis in advance of the child undertaking the activity. These are billed separately by the individual tutors. In the event of a student leaving the College before or during that term, then those fees are not refundable.
7. Should the purchase of books and uniforms be made and the student does not commence studies at the College, then those books and uniforms (if unused and in pristine condition) can be returned to the College and a full refund will be made. However, if a child commences at the College and uses those books and uniforms, then no refund will be made. However, the College's Uniform Shop may accept the items for sale on behalf of the owner. The uniform shop charges a commission for this service.
8. Under the National Code of Practice, a person holding a written agreement with the College should be aware that the school's dispute resolution processes do not prevent the student from pursuing other legal remedies. This agreement does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

The Principal has the discretion and may approve a greater amount of refund than stated.

Provider Default

If for any reason Saint Stephen's College is unable to offer a course on an agreed starting day for the course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by the College, a full refund of any unused tuition fees* received by the College with respect to the student will be made within 14 days of the agreed course starting day.

In the unlikely event that Saint Stephen's College is unable to deliver the course in full and the student for some reason cannot be placed or refuses placement in an alternative course arranged by the College, a full refund of any unused tuition fees* received by the College with respect to the student will be made within 14 days of the school's default day.

If Saint Stephen's College is unable to fulfil its obligations of providing an agreeable alternative course for the student, or a refund, the student will receive assistance from the Australian Government's Tuition Protection Service. For information on the TPS, please see:

<https://internationaleducation.gov.au/Regulatory-Information/Education-Services-for-Overseas-Students-ESOS-Legislative-Framework/ESOS-Review/Documents/TPSStudentBrochure03.pdf>

**Calculation of the refund due in this case is prescribed by a legislative instrument (s.7 of Education Services for Overseas Students (Calculation of Refund) Specification 2014).*

<http://www.comlaw.gov.au/Details/F2014L00907>. From a financial perspective, because the VET component fails under the school's CRICOS registration, the student's tuition fees for the course (including the VET components) are protected by virtue of the school's CRICOS registration.

From a course delivery perspective, if the RTO the school has partnered with closes or is otherwise unable to deliver the VET component, the school must ensure that the student is still able to complete the secondary school course for which their vis has been issued. This could mean engaging an alternative VET provider to deliver the VET components or if this is not possible, offering alternative secondary school subjects which meet the requirements or completing the school qualification.

COMPLAINTS AND APPEALS POLICY

A copy of this policy will be provided to the student (or parent(s)/legal guardian if the student is under 18) at a reasonable time prior to a written agreement being signed, and again during orientation or within 7 days of the commencement of student attendance of the enrolled course.

1. Purpose

The student should contact the appropriate staff member for an appointment to discuss the issue. Written notes (in English) of the discussion will be kept for the student's record. The student should also note the time and place of meeting, issues discussed and any conclusions drawn. The Executive Director of International Education should be informed that the meeting took place and be provided with a copy of the student's notes. The Executive Director of International Education will confirm details of the meeting with the staff member concerned and inform the student, in writing, if the staff member disputes any of the details provided. 3. Formal Internal Complaints Handling and Appeals Process

- a) The student must notify the school in writing of the nature and details of the complaint or appeal.
- b) Written complaints or appeals are to be lodged with the Executive Director of International Education.
- c) Where the internal complaints and appeals process is being accessed because the student has received notice by the school that the school intends to report him/her for unsatisfactory course attendance, unsatisfactory course progress or suspension or cancellation of enrolment, the student has 20 working days from the date of receipt of notification in which to lodge a written appeal.
- d) Where the internal complaints and appeals process is being accessed because the student has received notice by the school that the school intends to report him/her for unsatisfactory course progress or suspension or cancellation of enrolments, the student has 20 working days from the date of receipt of notification in which to lodge a written appeal.
- e) Complaints and appeals processes are available to students at no cost.
- f) Each complainant has the opportunity to present his/her case to the Executive Director of International Education.
- g) Students and / or the School may be accompanied and assisted by a support person at all relevant meetings.
- h) The formal internal complaints and appeals process will commence within 10 working days of lodgement of the complaint or appeal with the Principal/other and will be finalised as soon as practicable.
- i) For the duration of the internal complaints and appeals process the student's enrolment will be maintained, as required under the *National Code of Practice for Providers of Education and Training to Overseas Students 2018* and the student must continue to attend classes.

However, if the Principal deems that the student's health or well-being, or the well-being of others is at risk he/she may decide to suspend or cancel the student's enrolment before the complaints and appeals process has been accessed or fully completed. In such cases, the student may still lodge a complaint or appeal, even if the student is offshore.

- j) Once the Executive Director of International Education has come to a decision regarding the complaint or appeal, the student will be informed in writing of the outcome and the reasons for the outcome, and a copy will be retained on the student's file.
- k) If the complaints and appeals procedure finds in favour of the student, Saint Stephen's College will immediately implement the decision and any corrective and preventative action required, and advise the student of the outcome and action taken.
- l) Where the outcome of a complaint or appeal is not in the student's favour, the school will advise the student within 10 working days of concluding the internal review of the student's right to access the external appeals process.

However, the school is only obliged to await the outcome of an external appeal if the matter relates to a breach of course progress or attendance requirements. For all other issues, the school may take action (including making changes to the student's enrolment status in PRISMS) in accordance with the outcome of the internal appeal.

4. External Appeals Processes

- a) If the student is dissatisfied with the conduct or result of the internal complaints and appeals procedure, he/she may contact and / or seek redress through the Overseas Students Ombudsman at no cost. Please see: <https://www.ombudsman.gov.au/what-we-do/Can-we-help-you> or phone 1300 362 072 for more information.
- b) If the student wishes to appeal a decision made by Saint Stephen's College that relates to being reported for a breach of course progress or attendance requirement (under Standard 8), the student must lodge this appeal with the Overseas Student Ombudsman's office within 10 working days of being notified of the outcome of his/her internal appeal.

 - ii) suspension or cancellation of the student's enrolment (under Standard 9)

any choice to lodge an external appeal with the Overseas Student Ombudsman is at the student's discretion. The school need not await the outcome of any external appeal lodged, before implementing the outcome of the internal appeal.

5. Other legal redress

- a) Nothing in the School's Complaints and Appeals Policy negates the right of an overseas student to pursue other legal remedies.

DEFERRING, SUSPENDING OR CANCELLING ENROLMENT POLICY**Communicating with families about changes in enrolment status**

All communications regarding changes to enrolment status will be made directly with students and parents, in accordance with the latest contact details provided to the school.

Parents must therefore keep Saint Stephen's College informed of their current contact details, as per the conditions of the student visa.

Where relevant and where approved by the parents, the school may also share copies of correspondence with the child's education agent to help facilitate communication about any changes in enrolment status. However, the parents with whom the school has a formal written agreement are the primary contact for the school in such matters. The school will not act on any decision affecting the student's enrolment that is not made by the parents.

Student-Initiated Changes in Enrolment**1. Deferment of commencement of study requested by student**

1.1 Saint Stephen's College will only grant a deferment of commencement of studies for compassionate and compelling circumstances. These include but are not limited to:

- a) illness, where a medical certificate states that the student was unable to attend classes
- b) bereavement or significant illness of close family members such as parents or grandparents
- c) major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on studies
- d) a traumatic experience which has impacted on the student (these cases should be where possible supported by police or psychologists' reports)

Where deemed necessary, this may involve temporarily suspending the student's enrolment so that matters can be resolved without having a negative impact on the student's ability to satisfy their visa conditions.

2.2 Temporary suspensions of study cannot exceed 6 months duration.

2.3 Suspensions will be recorded on PRISMS within 14 days of being granted if the student is under 18 years of age, and within 31 days if the student is over 18 years of age.

2.4 The period of suspension will not be included in the attendance calculations.

2.5 Application will be assessed on merit by the Executive Director of International Education.

2.8 All applications for suspension will be considered within 5 working days.

2.9 The final decision for assessing and granting a suspension of studies lies with the Executive Director of International Education. Where a student's request to suspend studies is refused, the student has a right of appeal (see Saint Stephen's College's Complaints and Appeals policy).

School-Initiated Changes in Enrolment

1. School-initiated exclusion from class or suspension from attending school (no impact on CoE)

- a) Saint Stephen's College may exclude a student from class studies or suspend attendance from school on the grounds of misbehaviour by the student. Temporary exclusion or suspension will occur as the result of any behaviour identified as resulting in exclusion in Saint Stephen's College's Behaviour Policy/Code of Conduct.

Further information about the appeals process in the event of a school-initiated suspension is outlined below.
- d) Suspended students must abide by the conditions of their suspension from studies and must adhere to any welfare and accommodation arrangements in place, as determined by the Executive Director of International Education.
- e) Students who have been suspended for more than 28 days may need to contact Department of Immigration. (Please see contact details at: <https://immi.homeaffairs.gov.au/help-support/contact-us>.)
- f) Where applied, a suspension of enrolment will impact the student's CoE and will be recorded on PRISMS. The suspension will therefore be visible to the Department of Home Affairs (Immigration).
- g) The period of suspension will not be included in attendance calculations.

3. School-initiated cancellation of enrolment (CoE will be impacted)

- a) Saint Stephen's College will cancel the enrolment of a student under the following conditions:
 - i) Any breach of an agreed condition of enrolment as outlined in the student's written agreement, including failure to disclose information required by the school at the point of application or a pre-existing condition requiring a high degree of specialised support or care
 - ii) Failure to pay course fees
 - iii) Failure to maintain approved welfare and accommodation arrangements (visa condition 8532) [Alternatively schools may decide that they will not cancel enrolment for this reason]
 - iv) Any behaviour identified as resulting in cancellation in Name of School's Behaviour Policy/Code of Conduct
- b) Where Saint Stephen's College intends to cancel the enrolment of a student it will first issue a letter which notifies the student and parents of this intention. The letter will also provide details of the reason/s for the intended cancellation, as well as information about how to access Saint Stephen's College's internal appeals process. Further information about the appeals process in the event of a school-initiated cancellation is outlined below.
- c) Saint Stephen's College is required to report any confirmed breach of course progress and attendance requirements to the Department of Immigration. Where a student is reported for breach of visa condition, his/her enrolment at Saint Stephen's College will be cancelled and this may impact on the student's visa. Further information can be found in Saint Stephen's College's Course Progress and Attendance Policy.

- a) For the duration of the internal appeals process, Saint Stephen's College will maintain the student's enrolment and the student will attend classes as normal. The Executive Director of International Education will determine if participation in studies will be in class or under a supervised arrangement outside of classes.
- b) If a student decides to access Saint Stephen's College's complaints and appeals process because they have been notified of a school initiated suspension or cancellation of enrolment under Standard 9, the change in enrolment status will not be reported in PRISMS until the internal complaints and appeals process is finalised, unless extenuating circumstances relating to the welfare of the student apply (see Definitions below).
- c) Where extenuating circumstances are deemed to exist, a student may still access the complaints and appeals process, but Saint Stephen's College need not await the outcome of this process before changing the student's enrolment status in PRISMS. If the school has issued a CAAW for such a student, welfare provisions under Standard 5.6 are applicable.
- d) The use of extenuating circumstances by Saint Stephen's College to suspend or cancel a student's enrolment prior to the completion of any complaints and appeals process will be supported by appropriate evidence.
- e) The final decision for evaluating extenuating circumstances lies with the Executive Director of International Education.

Student to seek information from Department of Immigration

Deferment, suspension and cancellation of enrolment can have an effect on a student's visa as a result of changes to enrolment status. Students can visit the Department of Immigration Website <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500> for further information about their visa conditions and obligations.

Definitions

- a) CoE – 'Confirmation of Enrolment' – The CoE provides evidence of a student's enrolment with a provider registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). This evidence is required before Home Affairs will issue a student visa. The CoE contains information about the Provider, agent (if involved), course and duration of study in which the student has enrolled.
- b) Deferment of enrolment – To defer or suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, PRISMS of the deferment of enrolment. A student may request a temporary deferment to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of student's enrolment due to misbehaviour of the student.
- c) Exclusion from class – when a student is not allowed to attend classes for a period of time but may access learning material offline.
- d) Suspension from attending school – when a student is removed from school or class for a period of time. After a suspension, they will return to school or class. When considering suspending a student, the Principal must take into account the disruption to your child's learning, their disability, home circumstances and educational needs.

- e) Suspension of enrolment – to suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, through PRISMS of the suspension of enrolment. A student may request a temporary suspension to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of a student's enrolment due to misbehaviour of the student. It is important to note the meanings of the terms for this context – suspension of enrolment is not necessarily due to misbehaviour – suspension of enrolment may also be initiated by the student.
- f) Cancellation of enrolment – the provider notifies the Department of Education through PRISMS that it wishes to permanently cancel (terminate) the student's enrolment. Once this process is complete, the student's CoE status will be listed as 'cancelled'.
- g) PRISMS – The Provider Registration and International Student Management System (PRISMS) is the system used to process information given to the Secretary of DEST by registered providers
- h) Day – any day including weekends and public holidays in or out of term time
- i) Extenuating circumstances - if the student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

Examples include:

- the student refuses to maintain approved welfare and accommodation arrangements (for students under 18 years of age)
- the student is missing
- the student has medical concerns or severe depression or psychological issues which lead the school to fear for the student's wellbeing
- the student has engaged or threatened to engage in behaviour that is reasonably believed to endanger the student or others
- is at risk of committing a criminal offence, or
- the student is the subject of investigation relating to criminal matters.
