CONTEXTUAL INFORMATION

Saint Stephen's College is an independent co-educational learning community catering for approximately 1300 students from Prep to Year 12.

The College is recognised as a global leader in contemporary, student-focused learning and education, grounded in Christian values. Through a shared belief in the potential of every student, strong relationships and meaningful partnerships Saint Stephen's College fosters a culture of continual improvement, innovation and the pursuit of excellence, transforming lives through the power of learning.

At Saint Stephen's College, a future-focused learning framework underpins all aspects of teaching and learning. The College recognises that successful learning is achieved when strong foundations of social, emotional, spiritual and physical wellbeing are established. It is through this holistic approach to education that students are supported, empowered and provided with opportunities to thrive both within and beyond the College community.

Next Step

2025 Post-School Destinations

At the time of publishing this School Annual Report, the results of the 2025 post-school destinations survey, Next Steps – Student Destination report for the College was not available. Information about these post-school destinations of our students will be uploaded to the College's website in September 2026 after the release of the information.

COMMUNITY

Within our College, we value and nurture the partnership between parents, students, and staff, recognising that working together, learning from and supporting each other leads to improved learning outcomes for students throughout their educational journey from childhood to adulthood.

We believe that meaningful partnerships enrich the educational experience and expand opportunities for all members of our College community. Our approach to partnerships is intentional, values-driven, and future-focused, fostering connections that support learning, growth, and collective achievement.

The overall satisfaction of the College was “very high,” with the academic program and extra-curricular activities being very highly praised by parents.” Over 90% of parents had their expectations met or exceeded in the values of the College, the size and the traditions of the College, NAPLAN results, QCE Results, academic standards and the balance of the education offered.
