2. The College will charge an administration fee of \$55 (including GST). This fee is payable if school fees, and other charges have not been finalised by the end of the term or no acceptable arrangements have been entered into by that time.

Where fees remain overdue or a payment plan has not been upheld, the College will contact families to discuss the situation, which may include a review of the student's enrolment.

3. Unless the College has agreed otherwise, students school fee accounts must be finalised before students are allowed to proceed into the following years.
4. If fees or other charges remain unpaid, the College reserves the right to pursue legal action to recover the outstanding balance.
5. Parents are required to give the Principal a full school term's written notice if they intend to withdraw their child from the College. If this notice is not provided, one term's tuition fees will be charged in lieu of notice
6. In circumstances where a student is required to leave the College, fees and charges that have already been incurred are non-refundable, and any remaining balance will be due at that time.
